## Interested in running a Stemmler Meats fundraiser in support of your team, school, or other not-for-profit group?

### *It's so easy! Here's how it works...*

1. Provide Stemmler's your estimated **start and finish dates**. You can run your program for as long as you'd like, but we have found the most successful groups run their programs for 3 weeks on average.
2. **Set your own selling prices** to maximize profit and adjust the tracking and sell sheets accordingly before printing or distributing. Our suggested selling price for Pepperstix is \$5-6 per package and the summer sausage \$16-18. Tax is not applicable. Your profit is the difference between our price (see below) and your selling price.
3. It will take **one full week to get your order together** for pick-up once we receive your final order sheet.
4. Your **final order can be picked up at the plant** at 725 McMurray Road, Waterloo, Monday-Friday 8am-6pm, or Saturday 8am-4pm.
5. **Payment can be made 3-4 days in advance with an e-transfer, or during pick-up** with one cheque (preferred), cash (exact change required), or debit.
6. All the products available in the program can be held at room temperature for a period but to maintain shelf life it is better to **keep the product refrigerated**. When your customers collect their products, please tell them it should be refrigerated when they get home.
7. Our staff will go over your order a couple of times while putting it together, but please inform us of any inaccuracy **within 48 hours**.
